

BRENDA MARIE TURNER

PRESENTS

SING OUT!

A TOUR FOR HARMONY

**International Soprano
Brenda Marie Turner**
unites us through the perpetual gift
of music as she travels the country
with an inviting,
multi-genre concert.

HARMONIZE WITH US!

This tour is an effort of love meant to unite our undivided nation. We intend to offer free, public performances that uplift, entertain, and inspire. We can only do that with your help!

If you'd like to join the fun, and ensure *Sing Out! A Tour for Harmony* is a success, see the options below.

- **Recommend a Pianist:** This concert will include everything from challenging operatic arias and art songs to jazz and gospel and a few things in between. We are hoping to find pianists in the city of each performance to circumvent the cost of travel and accommodations. If you know an excellent, versatile collaborative pianist, please send them our way!
- **Host a performance:** We aim to reach as many communities as possible - from those in large cities to those in rural towns, those who don't have access to live music to those who do, but don't feel welcomed to enjoy it. All we need is a space and a tuned piano (or weighted, 88-key digital keyboard)! We'll provide Brenda, a pianist, and marketing materials.
- **Sponsor a concert:** While performances will be free to the public, the travel, accommodations, and pianists fees are not. Each concert costs approximately \$2,000.
- **Sponsor a region:** In larger cities, those who live on the outskirts tend to have less access to live music. We want to reach those communities, too! This means that we need to have several performances in that area. For example, in the greater Atlanta area, we would like to present four concerts over two weekends to reach across the region. A regional sponsorship is \$5,000.
- **Sponsor the Tour:** We believe in miracles over here, so if you or someone you know is passionate about invigorating, live music and uniting communities in love, please let us know! We are hoping to raise \$25,000 to cover all the costs and keep performances free.
